What is a Youth Coach?

Well, I'm glad you asked. Have you heard about Hope Quest yet? In short:

When you **Become** a Jesus follower then you are expected to **Connect** with other Jesus followers. As a result you are then expected to plug into a small group where you are equipped to **Grow** to be more like Christ, so that you will then **Multiply** other followers of Jesus.

So a Youth Coach is a spiritually mature Jesus follower, who is investing in their own personal Hope Quest and simply wants to help Teenagers with theirs.

In short, a Youth Coach invests in the lives of a few teens and mentors them to mature Jesus followers.

Please consider taking a moment to look over the information and then let us know if you want to be on our Youth Coach Team by sending an email to:

youthcoachinfo@nhccyouth.com

What are we looking for in a Youth Coach?

- Great question! We're looking for adult spiritually mature Jesus followers who like to hang out with teenagers. In short, if you've **become** a Jesus follower and you are routinely **connecting** with other Jesus followers and you are **growing** to be more like Jesus and you are looking for **multiplying** other Jesus followers by sharing your Jesus story, then we're looking for you!

What's expected of a Youth Coach?

- Well that depends on what you want to do. Mostly we need family group leaders. A family group leader receives material from Daren to present and teach during ACTI-VATE Family Groups. High School Family Groups meet in homes, and Middle School Family Groups meet in the youth room; all Family Groups meet on Wednesday Night.
- Also you will be expected to develop relationships with the students in your Family Group, by regular contact by Facebook, email, text, cell phone, home phone, etc...This is actually a very important component of being a youth coach as we place a premium on mentoring and shepherding

What if I don't know what to do?

- Training is a key component of being a youth coach and Daren makes sure that you have what you need to do your work effectively.
- At least twice a year, once in the fall/summer and also in the spring/summer Daren meets with all the coaches to discuss follow up from the previous year, and to prepare for the next season of Family Groups
- Every Youth Coach is presented an orientation manual with specific instructions on what is expected from Youth Coaches.
- A personal orientation is also provided with Daren once you've agreed to invest in our teenagers!
- We have a team of Youth Coaches, and this team works very well together. We are not in this alone! We need each other, and so you'll be a part of a team effort!
